

OUR COMMUNITY

Part of our mission statement is to “consciously maximize our contribution to sustainable business practices and healthy living within our workplaces and communities.”

Each year, Café Yumm!® donates time and money to non-profit organizations that share our vision of nurturing whole foods, active and healthy lifestyles, and environmental responsibility.

We support organizations in these areas:

- local food banks
- public education
- fitness and athletic programs
- reuse and recycling efforts
- food and water protection and distribution
- preventative health programs
- pro bono legal efforts in these areas
