

COMMUNITY

Café Yumm!® is a Benefit Company. We follow this ideal as part of our Mission:

“Consciously maximize our contribution to sustainable business practices and healthy living within our workplaces and communities.”

We focus our community support on non-profits that share our vision for promoting whole foods, active and healthy lifestyles, and the well-being of our environment.

In order to have a bigger impact with our finite resources, we support local groups and events that are related to specific causes:

Food Banks

Sustainable Agriculture and Access to Healthy Food/Water

River Protection and Cleanup

Public Education

Youth Fitness and Athletics

Wellness Programs

Reuse and Recycling Efforts

We may also offer professional and volunteer support to organizations doing this important work.
