Cafe Yumm! has opened a new restaurant in the University of Oregon East 13th Avenue neighborhood.

The new location at 860 E. 13th Ave. sits across the street from Blue Heron Cycles and The Duck Store.

The location opened two weeks after the company closed the doors to its 13-year-old restaurant at the corner of Broadway and Hilyard Street because a student housing complex is planned for the former building and surrounding properties.
